

**List of Critical , Hyper sensitive and sensitive Polling Station under  
West Kameng District.**

No. & Name of constituency	Critical Polling station	Hyper sensitive Polling station	Sensitive Polling station	Reason for the identifying the Polling station as critical sensitive and Hyper sensitive
4-Dirang (ST)	1-Dirang Village E/ Wing 2-Dirang village W/Wing 8-Sangti	12-Lish 13-Rama Camp 16-Sange 21-Yewang 23-Mandla Phudung 25-Thembang 32-Namshu 37-Darbu 40-Rahung	11-Lish Gompache 19-Dirang HQ E/Wing 15-Chug 18-Nyukmadung 20-Dirang HQ W/wing 24-Khelong 30-Chander 35-Khalibok 41-Salari	The Polling Booths having previous records of electioneering violences which occurred at large scales and where the poll percentages are very high [more than 80%] are earmarked as the 'CRITICAL' polling booths. The polling booths having the population from various communities and where the supporters of different political leaders are found to be very aggressive in nature are earmarked as the 'Hyper-Sensitive' polling booths. In both the Categorize of polling booths – The sense of litigations in the people are found to be very high. Constant involvements of antisocial elements and mischief makers in those areas have enhanced the situation. This time the electioneering activities have started very early and the whole public of those areas are found involving themselves in the political activities. Hence any untoward incident in those areas cannot be ruled out. Considering the aggressiveness of the people their involvement in politics, the past records of the area the stations are categorized accordingly. The places where it is presumed that prompt Police action can be initiated without much difficulties and the situation can be brought under control with the force of which projection have already been made are termed as sensitive and normal.
