

TreasuryNet app Launched

Adding one more feather to its cap, the West Kameng district administration under the leadership of its DC Dr. Sonal Swaroop has successfully implemented TreasuryNet application, which is an in-house product of NIC, Arunachal Pradesh.

Er. P.K.Thungon, DIO assisted by Amujao Phurailatapam, Scientific Officer, NIC, Itanagar gave a presentation to DC, TO and staff of Treasury office before its implementation on April 24 last. By implementing TreasuryNet, many manual errors will be stopped and it would ease the daily activities carried by the district Treasury Office.

TreasuryNet is Web based application for treasury accounting system, which will cater to the needs of Finance department. Treasury accounting system consists of payments and receipts transacted by the state treasury department on behalf of state government. The project also covers many other sub-systems operated in the treasuries apart from the main accounting system.
