

Annual Action Plan for Rural Development Agency

The Annual Action Plan (A. A. P) for the Rural Development Agency of the district was finalized here today in the Governing Body Meeting held at Bomdila under the chairmanship of Logyang Rikhong, the senior most Zilla Parishad Member in the line.

Urging the PRI members to play a vital role in planning, formulating and executing the various rural development programmes besides providing timely feed-backs, Deputy Commissioner Rinchin Tashi called upon the block functionaries and other officials to reach out to the people. Endeavour should be to rectify the shortcomings and the lacunae based on one's experience and legality, he said. Taking strong exception of the complaints raised by the Block Development Officers and the panchayat leaders regarding non-cooperative attitude and non-disbursement of loan component, the DC directed all the Branch Managers of the district to attend to the SGSY schemes on priority.

Project Director Dagbom Riba elaborated on the draft Annual Action Plan under Swarnajayanti Gram Swarozgar Yojana (SGSY), Mahatma Gandhi-National Rural Employment Guarantee Act (MG-NREGA), Indra Awaas Yojana (IAY) & Up gradation, Integrated Wasteland Management Programme (IWMP), District Rural Development Agency (Admin) and Sate Building Plan for the year 2010-11. Besides the statutory members of the line departments, all the Zilla Parishad Members and Anchal Chairpersons of the district attended the meeting.

However, the large scale absence of SBI Branch Managers posted in the district was felt as their absence in a meeting of this magnitude leads to communication gap and procedural delay adversely affecting the implementation of the various rural development programmes meant for the upliftment and self employment of the rural poor. Nevertheless, the lone Branch Manager of the SBI Bomdila Branch present in the meeting assured the house of conveying the message to his counterparts and for doing the needful in earnest.
