

DLTDC HOLDS ITS MAIDEN MEET.

BOMDILA – 28TH JAN/10 : In order to further the tourism and its related activities in the district, the maiden sitting of the District Level Tourism Development Committee of the district was convened by its chairman cum Deputy Commissioner here today to finalize the annual plan. Though Bomdila lies in the heart of the most frequented upon tourist cum travel circuit of the state widely acclaimed for it's scenic beauty and rich traditional culture coupled with numerous options for adventure tourism, angling, bird watching etc, there is need for expansion and identification of new prospects and potentialities so as to give the tourists a wider option to choose from, observed the DC Swati Sharma. Acknowledging the need for participation of the locals for development of tourism in true sense, the chairman suggested for constitution of a sub-committee consisting of panchayat leaders, senior citizens and prominent village elders.

Identification of tourist circuits within the district, trekking routes, tourist villages with home stay facilities, adventure tourism, opening of peaks for trekking and mountain expedition, construction of cafeterias and view points besides early completion of the on-going tourism projects, leasing out of the completed projects of the district and maintenance of the Tourist Lodge Bomdila were the matters taken up for discussion by the District Tourism Officer for consideration and recommendation by the DLTDC. Another important feature taken up for discussion was the proposal mooted by the DC for celebration of the 1st Bomdila festival in the second week of April.

The Committee suggested for recommending Sangti Valley and Shergaon in the district as Tourist villages and identification of around 10-12 tourist interest places to be incorporated in the district's tourism brochure with latest photos and write-ups and map of the district consisting datas for the convenience of the tourists coming to the district. The committee also suggested for taking up of the proposed helipad at Chillipam on priority in order to provide easy air connectivity for the tourists and dignitaries coming to the district.
